November, 2016

The San Dieguito Union High School District is using an on-line high school selection process for the 2017-18 school year. (Please refer to the District's website for details.) Because it is the obligation of the District to provide your student a free, appropriate, public education (FAPE), it is important that this be considered when making a high school selection. Please be aware that not all Special Education programs and/or classes are available at every high school. To ensure that appropriate services are available at the high school your student selects, please review the services offered at each high school.
