

SAN DIEGUITO UNION HIGH SCHOOL DISTRICT PLANNING & FINANCIAL MANAGEMENT

Directions for Using School Locator

After clicking on the link provided, be sure to click on the appropriate “Display Boundaries” field on the left middle section of the page and click the “Update” button. Then type in the complete address. Do not abbreviate the name of the street or city. You may abbreviate the suffix part of the street, e.g. Road to Rd, Street to St, Avenue to Ave. Please be sure to include any apartment number if there is one. Include the zip code. Once you have entered the address information, click on the “go” button directly below the zip code. Or, click on the “point tool” button, then click your location on the map.
