

Attendance of Non-Resident Students

Attendance of Non-Resident Students - Children of employees identified by the Board as "Management" whose legal residence is outside the boundaries of the San Dieguito Union High School District are eligible to enroll in a district school. In order to qualify for admission to a district school, the parent must submit an application for interdistrict attendance to the office of the Director of Pupil Personnel Services by March 1 of the year preceding the desired enrollment. Once enrolled, the student shall not have to apply for readmission in subsequent years. Students accepted through an interdistrict attendance agreement are subject to the same academic and behavioral standards as students of district residents. No home-to-school transportation is provided for students enrolled on an interdistrict attendance permit.
