Info:

- All currently enrolled SDUHSD 8th grade students must select the high school they wish to attend during the high school selection process filing period.
- All new students (not currently enrolled in SDUHSD) must select their high school of choice through the high school selection process. Selection must be made by February 8, 2010. Students who do not make a selection during the filing period must enroll in their boundary high school.
- All currently enrolled 9th, 10th & 11th grade SDUHSD students wanting to change from their present school site to high school of choice must do so through the high school selection process. Selection must be made by February 8, 2010.
- All currently enrolled 9th, 10th & 11th grade students who wish to remain at their present school do not need to make a selection through the official high school selection process. These students will be automatically re-enrolled at their current high school.
