

TRANSPORTATION FEES / HOME-TO-SCHOOL

Because of the cost of providing student transportation exceeds funding provided by the state, the Board of Trustees finds it necessary to charge student transportation fees.

The Superintendent or designee shall submit proposed transportation fee schedules for Board approval. Fees shall be determined based on operating costs, in accordance with law.

The Board shall certify to the county superintendent that the district has levied fees in accordance with law. The total amount received for transportation from the state and parent/guardian fees shall not exceed the actual operating cost of home-to-school transportation during the school year.

No charge shall be made for any transportation of students who receive special education services, or whose parents/guardians are determined indigent pursuant to administrative regulations.
