

TOBACCO

Information about the district's tobacco-free schools policy and enforcement procedures shall be communicated clearly to employees, parents/guardians, students, and the community. (Health and Safety Code 104420)

The Superintendent or designee may disseminate this information through annual written notifications, district and school web sites, student and parent handbooks, and/or other appropriate methods of communication.

Signs stating "Tobacco use is prohibited" shall be prominently displayed at all entrances to school property. (Health and Safety Code 104420)

Any employee or student who violates the district's tobacco-free schools policy shall be asked to refrain from smoking and shall be subject to disciplinary action as appropriate.

Any other person who violates the district's policy on tobacco-free schools shall be informed of the district's policy and asked to refrain from smoking.

If the person fails to comply with this request

the Superintendent or designee may:

1. Direct the person to leave school property.
2. Request local law enforcement assistance in removing the person from school premises.
3. If the person repeatedly violates the tobacco-free schools policy, prohibit him/her from entering District property for a specified period of time.

The Superintendent or designee shall not be required to physically eject a nonemployee who is smoking or to request that the nonemployee refrain from smoking under circumstances involving a risk of physical harm to the district or any employee. (Labor Code 6404.5)

TOBACCO-USE PREVENTION EDUCATION PROGRAM

The district's tobacco-use prevention program shall provide students in grades 6-12 instruction which addresses the following topics: (Health and Safety Code 104420)

1. Immediate and long-term undesirable physiologic, cosmetic, and social consequences of tobacco use
2. Reasons that adolescents say they smoke or use tobacco
3. Peer norms and social influences that promote tobacco use
4. Refusal skills for resisting social influences that promote tobacco use

As appropriate, the district shall provide or refer students in grades 7-12 to tobacco-use intervention and cessation activities. (Health and Safety Code 104420)

These services shall be directed toward current users and shall be voluntary for students who desire assistance in ceasing the use of tobacco.

In addition to targeting students who currently use tobacco, the district's program shall target students most at risk for beginning to use tobacco as identified through a local needs assessment.

The district shall provide or refer every pregnant and parenting minor enrolled in the district to tobacco-use prevention services. Such services may be integrated with existing programs for pregnant and parenting minors and shall include: (Health and Safety Code 104460)

1. Referral to perinatal and related support services
2. Outreach services and assessment of smoking status
3. Individualized counseling and advocacy services
4. Motivational messages
5. Cessation services, if appropriate
6. Incentives to maintain a healthy lifestyle
7. Follow-up assessment
8. Maintenance and relapse prevention services
