

REASSIGNMENT OR TRANSFER OF SUPERVISORY PERSONNEL

Subject to the approval of the Governing Board and the rules of the Personnel Commission, the District Superintendent may transfer supervisory personnel to those positions for which they are qualified when such transfer is in the best interest of the district.

- A. This policy does not preclude a supervisory employee from requesting a transfer or reassignment.

- D. Prior to filling a vacancy in a supervisory position, every attempt should be made to notify all qualified personnel who are presently employed by the district.
