

STUDENTS EXPELLED FROM OTHER DISTRICTS

Hearings and notices related to the enrollment of students expelled from other districts shall be conducted in accordance with expulsion procedures.

No student shall be enrolled until after the term of his/her expulsion if he/she was expelled for any of the following acts:

(Education Codes 48915, 48915.2)

1. Causing serious physical injury to another person, except in self-defense.
2. Possession of any knife, explosive or other dangerous object of no reasonable use to the student at school or on school grounds.
3. Unlawful sale of any controlled substance, as listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for the first offense for the sale of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis.
4. Robbery or extortion.

A hearing shall be held to determine whether a student expelled for acts specified above poses a potential danger to District students or employees. The Board may permit the student's enrollment after the term of expulsion has been served, provided that the student is a District resident or enrolled as part of an interdistrict agreement. *(Education Code 48915.2)*

A student expelled for acts other than those specified above may be admitted or conditionally admitted when the District determines at a hearing that the student does not pose a potential danger to District students or employees. If the student is a District resident or enrolled as part of an interdistrict agreement, he/she must be admitted. If the student is found to pose a potential danger, the Board may deny enrollment for the remainder of the expulsion period. *(Education Code 48915.1)*

If the student or parent/guardian neglects to inform the District of the student's status with his/her previous district, the District will record and discuss this matter during the hearing. *(Education Code 48915.1)*
