

HEALTH CARE AND EMERGENCIES**EMERGENCY INFORMATION**

Parents/guardians shall furnish the schools with the current information specified below on an annual basis, at the beginning of every school year or at the time of registration if new to the district.

1. Home address and telephone number.
2. Parent/guardian's business address and telephone number.
3. Name, address and telephone number of two additional persons who are authorized by the parent/guardian to care for the student in cases of emergency when the parent/guardian cannot be reached.
4. Local physician to call in case of emergency.

Under Education Code 49407, no school district shall be held liable for the reasonable treatment of a student without the consent of the parent/guardian when the student requires medical treatment and the parent/guardian cannot be reached, unless a written objection to medical treatment has been filed with the school district.

CONSENT BY CAREGIVER

Persons 18 years of age and older who file with the district a completed caregiver's authorization affidavit shall have the right to consent to or refuse school-related medical care for a district student. The caregiver's authorization shall be valid for one year after the date on which it is executed. The caregiver's decision shall be superseded by any contravening decision of the parent or other person having legal custody of the student, provided that this contravening decision does not jeopardize the student's life, health or safety. (Family Code 6550)

School-related medical care is medical care that is required by state or local governmental authority as a condition for school enrollment, including immunizations, physical examinations, and medical examinations conducted in schools for students. (Family Code 6550)
