FOR IMMEDIATE PRESS RELEASE

DATE: July 17, 2015

SUBJECT: SDUHSD Revises 2015-16 Instructional Calendar

Since the 2015-16 instructional calendar was approved by the San Dieguito Union High School District Governing Board, there have been significant changes to the District funding model. Beginning in the 2015-16 school year, the District will transition from a Basic Aid district to the Local Control Funding Formula (LCFF) funding model which will rely on daily student attendance for revenue. The change in funding formula prompted a review of our adopted school calendar to identify potential high absence days as has been past practice.

During the reexamination of the 2015-16 Instructional Calendar, it was determined that scheduling a strategic non-student day in September, while extending the school year to end on Friday instead of a Thursday, would be beneficial to students and families while maintaining balance in our calendar.

On July 16, 2015, the San Dieguito Union High School District Governing Board approved the recommendation to revise the 2015-16 Instructional School Calendar by scheduling a non-student day on Monday, September 14, 2015, and moving the last day of school to Friday, June 10, 2016. The revised calendar can be found on the district website www.sduhsd.net / About SDUHSD / District Calendar or [here](#).
