Having a Voice is not your usual summer school!

It's a safe place where you can have fun while learning interpersonal communication and leadership skills that will positively affect your life and the lives of your peers, friends and family!

We have the best and most caring teachers and counselors from across the district, as well as amazing guest speakers, to guide you.

The activities will be interactive and engaging. You will learn by doing. Consider this a mini-morning summer camp, where you will make new friends and learn lifelong skills.

...and it's all provided by SDUHSD for free! Don't miss it this summer! :)
