Celebrating Classified School Employee Week!!

As I reflect on the things I will miss when I leave San Dieguito, the caliber of the classified employees of this District always comes to mind. I am extremely appreciative and proud of the level of commitment and expertise our classified employees demonstrate each day.

As I visit each school site and walk through district office departments, I am continually reminded of how fortunate we are each time I see you in action. Whether it is patrolling our campuses, transporting our students, providing support in the classroom, preparing and serving meals, completing required reports, troubleshooting a computer, tending to a sick student, providing information to parents, or any of the many other jobs you successfully complete each day, you are a valued member of the San Dieguito Union High School District. The work you perform greatly contributes to the success of our District.

In recognition of Classified School Employees Week, I would like to thank you for all you do and assure you that your work does not go unnoticed. It has been an honor to work with each of you and witness the impact you have on our students, staff, and the District.

With appreciation and respect,
SDUHSD Superintendent & Executive Team
