

Welcome Back

Superintendent's Message

To all our students and families:

Welcome to the 2016-17 school year!

San Dieguito UHSD is known for the highest performing public schools in San Diego County. While there are many indicators of our success, our most rewarding accomplishment is the recognition we receive from our students, families, and community.

Our reputation was earned over eight decades. We are grateful for the confidence you have in our local schools and strive to maintain your trust.

Your support helps us recruit and retain highly qualified teachers, experienced leaders, and dedicated staff who are devoted to building and sustaining a world-class instructional program that meets the needs of each of our students. This is the solid foundation upon which the San Dieguito Union High School District is built.

Our students amaze us every day with achievements too numerous to mention. We share in--and celebrate--their success and endeavor to provide opportunities for every student to excel in their own way.

We know the pressure to succeed is high. We are increasing support for struggling teenagers this year. Please reach out to the many caring adults at our schools who can help students with academic, social, and emotional challenges.

The strength and stability of our schools, our commitment to excellence, and community support for public education are among the many qualities that make this one of the most desirable places to live.

Our teachers, staff and administrators are proud to live up to your high expectations.

Together with you, we will continue the traditions that have made this a great place for teaching, learning, and raising a family for over 80 years.

Thank you, and have a great year,

Eric Dill
Interim Superintendent
