SUBJECT: Superintendent's Message / Torrey Pines HS Incident

ENCINITAS – The following message was sent to families by Superintendent Eric Dill in response to this morning's saddening incident.

Dear SDUHSD families,

At the San Dieguito Union High School District, one of our key priorities is to provide a safe and secure learning environment for students. I also believe in communicating openly with our school community about incidents that occur on or near our school campuses.

You may have heard that there was an officer-involved shooting in a parking lot at Torrey Pines High School in the early hours of this morning. I am saddened to report that the 15-year-old boy who was killed was a student at our school. Law enforcement has not released the name of the young man, but our hearts go out to the student, his family, and his friends.

The details of the situation are still unfolding, but whatever they are, this event is very traumatic for our students, staff, families, and community. A crisis response team will be on the TPHS campus on Monday to support students, staff, and parents as needed.

I know this is difficult, but we ask that you please refrain from conjecture or spreading rumors. This is a difficult time for the family and we need to let them mourn. Again, if you need to talk to someone about this or just need a place to go to mourn and process this tragedy, counseling services will be available at all of our schools on Monday for anyone who feels they need it.

As a community, we have a shared responsibility to care for one another. Please rest assured that we will do everything possible to maintain our daily routine while supporting each other as we deal with this sad event.

Eric Dill
SDUHSD Superintendent
