

SATURDAY SUPPORT SCHOOL

Earl Warren Middle School

2009-2010

Saturday Support School offers your child a unique opportunity to receive extra assistance in a quiet and supportive environment. Teachers in a variety of course subject areas are available to answer questions or offer encouragement. Students are permitted to change subject areas during the session to maximize their use of this valuable educational opportunity. Students must come prepared to work with all their materials. We recommend speaking to your teachers to see what assignments are due, what work is missing, and what suggestions they might have to make the best use of this time. Check for missing work on the Aeries Parent/Student web portal as well.
