

Illuminate: Scanning Tests

<p>You can scan tests into Illuminate using any webcam or doc cam that is plugged into your computer with a USB. If you don't have a doc cam, this is the District approved webcam that you can order through your department.</p>	<p>Recommended Webcam Microsoft LifeCam HD-5000 - \$29.99</p>  <ul style="list-style-type: none"> • True 720p HD video • Auto Focus • 16:9 widescreen • TrueColor Technology • Integrated Microphone 	<p>Scroll down on this page to see more info.</p>										
<p>Before you start scanning, go to the Install Software Portal and download the Grade Cam plug-in to your computer. (Note that if you happen to be at home, using your personal computer, you don't need to do this— Illuminate will prompt you to install the plug in from your scanning screen)</p>												
<p>Open your assessment in Illuminate. Click Administration, and then select "scan" from the drop down.</p>												
<p>Then, this window pops up.</p> <p>This window shows what the camera sees— soon to be, your tests.</p>												
<p>Place your test in front of/under your camera, and it will score your test for you. When you've scored all of the assessments , click Save and View results.</p> <p>There is a handout on the Start Page under Illuminate help that show which reports you'll most likely be interested in. There is also a handout which explains how to score constructed response items.</p>	 <table border="1" style="width: 100%; border-collapse: collapse; font-size: small;"> <thead> <tr> <th>Student ID</th> <th>Correct</th> <th>Possible</th> <th>Percent Correct</th> <th>Incorrect Responses</th> </tr> </thead> <tbody> <tr> <td>4113352</td> <td style="text-align: center;">7</td> <td style="text-align: center;">10</td> <td style="text-align: center;">70</td> <td style="text-align: center;">Show</td> </tr> </tbody> </table>		Student ID	Correct	Possible	Percent Correct	Incorrect Responses	4113352	7	10	70	Show
