School Description

At Diegueño Middle School, all students are prepared academically and socially to reach their potential as life-long learners. Students are guided by professional educators in an engaging and creative environment with relevant curriculum focused on 21st century skills.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Diegueño Middle School was built in 1985. Our campus is an attractive, clean, positive learning environment. There are three computer labs on campus, including the lab in our Learning Commons. Every classroom has a network connection that allows access to the Internet, and all teachers have a computer document camera and live-streaming Safari Montage. Wireless Internet has also been installed throughout the campus to ensure both students and staff members have the technology needed for both present and future learning. In a joint collaborative effort with the PTSA, every classroom has been equipped with mounted LCD projectors. Also, we have Chromebook carts available for use in our Learning Commons, as well as in each of the core-curriculum buildings, in addition to having installed motion sensors for lights in the majority of classrooms in order to conserve energy.

School Facility Good Repair Status (Most Recent Year)

Year and month in which data were collected: 8/1/19

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary Good	Our school meets most or all of the standards for good repair, established by the Office of Public School Construction. If we have any deficiencies, they are not significant. We scored between 99 and 100 percent on the 15 categories of our evaluation.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	76	74	80	80	50	50
Math	75	75	72	72	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
7	8.8	33.0	49.6

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

We have a very supportive and involved PTSA, which provides financial support for materials, supplies, and student experiences, as well as providing an incredible number of volunteers on campus. Our School Site Council, which includes parent members and students, approves our school's School Plan for Student Achievement, site goals, and various budget expenditures. Our English Language Advisory Committee helps parents of students learning English feel welcome at our school. The contact person for parent involvement is Principal Cara Dolnik. The principal holds Coffee with the Principal meetings once a month, some with specific topics or themes as identified by parents or support staff, inviting parents to have time to interact with the principal. The annual Title 1 parent meeting invites all parents at the school to give feedback on the Parent and Family Involvement Policy and the School-Parent Compact. Weekly communication is sent out to parents through Cougar Connections to inform parents about school events, programs and general information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

We hold fire, lockdown, earthquake, and evacuation drills regularly. There is one full-time campus supervisor on site, and we work closely with the Encinitas Sheriff's Department, when necessary. We also work closely with other schools in our district. All students participate in an assembly with the assistant principal at the start of the school year and learn about behavior expectations and our progressive-discipline plan. All staff members are provided with the school site safety plan that is updated yearly. Our goal is to provide students and staff members with a safe school environment.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

Staff development opportunities are provided year round. The week before school starts in August and the two days between semesters in January are devoted to staff development. We have 16 late-start days throughout the year devoted to staff collaboration, and teachers are also invited to attend various district and non-district trainings and conferences during the year. Teacher input on staff development ideas is encouraged. All staff development activities focus on the goals of the district-wide Strategic Plan.

Types of Services Funded

The local control funding formula (LCFF) was enacted in 2013–14, and it replaced the previous kindergarten through grade 12 (K–12) finance system which had been in place for roughly 40 years. For school districts, the LCFF establishes base, supplemental, and concentration grants in place of the many previously existing K–12 funding streams and most of the 50-plus state categorical programs that existed at the time. LCFF provides all districts with per-student base grant funding that varies slightly depending on grade level. Additionally, all districts receive per student supplemental grant funding which adds 20% to the base grant funding for each English-language learner, low-income student and foster youth student enrolled. Finally, districts in which English-learners, low-income students and foster youth exceed 55% of the total enrollment receive additional concentration grant funding equal to 50% of the base grant funding. San Dieguito Union High School District (SDUHSD) is not eligible for concentration funding because its enrollment does not exceed the 55% threshold. By law, supplemental and concentration grant funds must be used to increase and improve programs and services for English-learners, low-income students and foster youth.

SDUHSD schools offer a broad course of study which includes; intervention courses, Advanced Placement (AP) and Honors courses, specialized programs for students who qualify for Special Education, Integrated and Designated English Language Development Programs for English Learners as well as CTE courses and pathways.

Additionally, SDUHSD schools offer services and supports for all students including; School Social Workers, READI program, School Counselors, School Psychologists, EL Lead Teachers, and Special Education Service Providers.

Restricted funding for DMS includes Title I, Part A funds used to upgrade the entire educational program of the school through a Schoolwide Program. Title I funded programs and services include; supplemental support courses in English and math, Intervention Coordinator, supplemental instructional materials, professional development for staff as well as parent engagement activities.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
