Changes To Enrollment

Our benefit plans are effective January 1 through December 31 of each year. There is an annual open enrollment period each year, during which you can make new benefit elections for the following January 1 effective date. Once you make your benefit elections, you cannot change them during the year unless you experience a qualifying event as defined by the IRS. Examples include, but are not limited to the following:

- Marriage, divorce, legal separation or annulment
- Birth or adoption of a child
- A qualified medical child support order
- Death of a spouse or child
- A change in your dependent's eligibility status
- Loss of coverage from another health plan

- Change in your residence or workplace (if your benefit options change)
- Loss of coverage through Medicaid or Children's Health Insurance Program (CHIP)
- Becoming eligible for a state's premium assistance program under Medicaid or CHIP

Important Note: Coverage for a new dependent is not automatic. If you experience a qualifying event, you have 30 days to update your coverage. Please contact Human Resources immediately following a qualifying event to complete the appropriate election forms as needed. If you do not update your coverage within 30 days from the qualifying event, you must wait until the next annual open enrollment period to update your coverage.

When Benefits End

- If employment ends **on or before** the tenth day of the month: Coverage ends on the last day of the month in which your employment ends with SDUHSD
- If employment ends **after** the tenth day of the month: Coverage ends on the last day of the month following the second month or when you no longer work the required number of hours for eligibility.
- Exception: if your last date of employment is in the month of June, you **may** be eligible for coverage continuation beyond June 30.

Once your employment ends, you may be eligible to continue your SDUHSD health benefits (at your own expense) under COBRA. To preserve your COBRA rights, you must contact Human Resources within 30 days (or 60 days for certain circumstances) of the qualifying event that results in your loss of coverage. Please contact Human Resources for other circumstances that may allow for benefits to be continued at the employee's expense.

Paying for Coverage

You pay for the cost of your medical plan; full time employees receive a District health care credit to be applied to that cost. SDUHSD pays the employee only portion of the dental plan premium. The cost of your health benefits is based on your selected medical and dental plans along with the number of dependents enrolled. If the health benefits you elect cost more than the District health care credit SDUHSD provides you with, the additional cost will be deducted from your pre-tax income on your paycheck.

SDUHSD provides an income protection plan, group term life and AD&D insurance for benefit eligible employees, and an employee assistance program at no cost to you. Benefit eligible employees may also choose to participate in the Supplemental Life and AD&D plans, and the Flexible Spending Accounts.

See Employee Contributions on page **31** for your costs and the 2022 District health care credit. For additional details, please contact Human Resources.

Opt-Out Provision

A limited number of certificated employees may have the option to waive medical coverage through the District if coverage is available from another group plan and if there is an opening on the Waiver List. If the Health Insurance Waiver List is full, you may add your name to the waiting list and wait for an opening.

To waive medical coverage, you must sign a *Declination of Medical Coverage* form each year and submit to Human Resources with proof of your other group coverage.

Medical Plans

The District offers health care benefits that give you both choice and affordability. With six medical plans, you choose how you want to manage your costs and healthcare provider relationships.

Kaiser Permanente HMO Plan

- All services must be obtained at a Kaiser facility except in the case of emergency.
- While all of your care must be directed through your selected physician, you can choose and change your doctor at any time, for any reason.
- Kaiser Permanente integrates all elements of healthcare such as physicians, medical centers, pharmacies and administration in one convenient facility.

Kaiser Permanente Online, Mobile and Phone Access

Manage your care online by registering at **www.kp.org**. You can locate Kaiser Permanente facilities, make or cancel appointments online, refill prescriptions, email your doctor, view medical records, obtain health and wellness information and much more.

Cigna Select HMO

- You must choose a Primary Care Physician (PCP) or medical group in the "Southern CA Select (St. Joseph Hoag Health Select Plan, Scripps Select Plan, HealthCare Partners Select Plan)". All of your care must be directed through your PCP or medical group.
- Any specialty care you need will be coordinated through your PCP and will generally require a referral or authorization.
- You will receive benefits only if you use the doctors, clinics and hospitals that belong to the medical group in which you are enrolled, except in the case of an emergency.

Medical Plan Descriptions

Medical Plans

The District offers health care benefits that give you both choice and affordability. With four medical plans, you choose how you want to manage your costs and healthcare provider relationships.

VEBA United Healthcare Performance HMO Network

- The VEBA Performance HMO and Alliance plan gives you more information and flexibility in how you spend your health care dollars. The plan provides the same level of coverage as the traditional United Healthcare HMO Plans; the difference is in the distinct networks. The VEBA Performance HMO and Alliance plan places United Healthcare's full network of Participating Medical Groups and providers into three distinct sub-networks. You will select one network that fits your needs.
 - A Network 1 Plan
 - A Network 2 Plan
 - An Alliance 20/30 Plan

United Healthcare Select Plus PPO Plan

- This is a plan that does not require you to select a Primary Care Provider (PCP) from the network. A PCP is encouraged and will help you get the right care at the right time. You also have coverage if you use out-of-network providers.
- The Carrum Health benefit is added to the PPO.

VEBA will waive all deductibles and coinsurance for members using a Carrum Health provider for the following categories of procedures: **Spine, Orthopedic and Coronary Artery Bypass Graft.** Carrum contracts with the highest quality surgeons and facilities in the state and includes: **Stanford, Scripps Green, Providence St. Johns (Santa Monica) and Hoag Orthopedic Institute.** Members do not have to use Carrum approved facility for their surgery, but they are encouraged to contact Carrum prior to surgery to pre-certify. Failure to pre-certify will result in a **\$1,000 pre-certification penalty.** This does not count towards the out-of-pocket limit. **Refer to the Carrum Health benefit flyer for additional information.**

Instructions for finding a United Healthcare Performance HMO PCP

- Go to welcometouhc.com/csveba.
- Under "Wondering if your doctor is in our network?" Click on "Find a Network Doctor or Hospital".
- Select the appropriate plan(s): "CS VEBA Performance HMO Networks 1, 2 or Alliance 20/30
- Enter your zip code and click "Continue".
- On the next page, click the X in the top right corner. Now you can search by physician name, specialty or medical group. If you do not select a PCP, one will be auto-assigned. For changes to your PCP during the plan year, contact UHC directly.

United Healthcare Online, Mobile and Phone Access

Manage your care online by registering at **www.myuhc.com**. Myuhc.com is the gateway to your benefits and claim information. You can view your own personalized plan information, choices for where to go for care, budgeting tools, helpful wellness tips and more.

Tips on Getting the Most from Your Health Benefits

1. Utilize Your Free Preventive Care Benefits to Stay Healthy

Take advantage of these important benefits now to hopefully avoid major illnesses and costs in the future.

2. Get the Right Health Care and Save Money

Choosing the right care for your medical situation will help save you money out-of-pocket:

- Doctor's Office visit or Telemedicine visit: This is a good choice for non-urgent medical issues.
- An **Urgent Care** visit is the best choice for non-life threatening medical issues that require immediate in-person care when you can't get an appointment for a Doctor's Office Visit.
- You should use the **Emergency Room** for life threatening emergencies or for other issues that require immediate, in-person medical care outside Urgent Care hours.

3. Use Generic and Over the Counter Drugs When Available

The best way to save on prescriptions is to use generic or over the counter medications as opposed to brand name drugs. When you use generic medications, you will pay the lowest copay. Generic drugs must use the same active ingredients as the brand name version of the drug. A generic drug must also meet the same quality and safety standards.

4. Order Maintenance Medications through Mail Order Prescription Drug Programs

The mail order pharmacy is a fast, easy and convenient way to save time and money on your maintenance medications. You can order additional supplies of medication at a discount. See carrier provisions for details.

Save Money on Your Health Care Expenses

When you use your Flexible Spending Account (see page **21**) or to pay for eligible, unreimbursed medical, dental and vision care expenses, you reduce your taxable income and can save money on taxes.

Dental Plans

DeltaCare HMO

With this plan, you are required to select a General Dentist from the Delta Dental network to provide your dental care; there is no coverage outside the network. If specialty care is needed, your general dentist will provide a referral. For covered procedures, you'll pay the pre-set copay fee described in your DHMO plan booklet. Please keep a copy of your plan booklet to refer to when utilizing your dental care. This will show the applicable copays that apply to all of the dental services that covered under the plan.

Delta Dental PPO Plan

This plan allows you the option to visit any licensed dentist. You will usually save more on your out-of-pocket costs when you visit a **Delta Dental PPO** dentist. The Delta Dental Premier network also provides cost-saving features and is the next best option when you cant find a PPO dentist. Non-Delta Dental (out-of-network) dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit a non-Delta Dental dentist. You are responsible for the difference between what Delta Dental pays and the dentist's fee.

Important Information

Annual Notices

Various state and federal laws require that employers provide disclosure and annual notices to their plan participants. SDUHSD posts all federally required annual notices on the district website for you to download and read at your convenience. SDUHSD distributes all federally required annual notices upon hire and during each annual open enrollment period.

- Medicare Part D Notice of Creditable Coverage
- HIPAA Notice of Privacy Practices
- Women's Health and Cancer Rights Act (WHCRA)
- Newborns' and Mothers' Health Protection Act
- Special Enrollment Rights
- Medicaid & Children's Health Insurance Program

Summary of Benefits and Coverage (SBC)

Health insurance issuers and group health plans are required to provide you with an easy-to-understand summary about your health plan's benefits and coverage, referred to as a Summary of Benefits and Coverage (SBC). This guide is designed to help you understand the medical plan options offered to you by SDUHSD. Please refer to the SBCs and carrier contracts provided by our health plan carriers for additional plan details.

The Affordable Care Act and You

Even though the Affordable Care Act (ACA)'s penalty for not having health coverage (known as the individual mandate) has been reduced to zero, if you are a taxpayer in California, you will still be required to have health coverage (unless you qualify for an exemption) or pay a penalty for the 2021 tax year. In addition, several other states, including Massachusetts, New Jersey, Rhode Island and Vermont, as well as the District of Columbia, have reinstated an individual mandate mandate requirement, and others are considering doing so.

You may consider these options below to satisfy this requirement:

- Enroll in a medical plan offered by SDUHSD or another group medical plan meeting the requirements for minimum essential coverage;
- Purchase coverage through a health insurance marketplace;
- Enroll in coverage through a government-sponsored program if eligible.

However, if you choose to purchase coverage through the marketplace, because SDUHSD's medical plans are considered affordable and meet minimum value under the Affordable Care Act, you may not be eligible for a subsidy, and you may not see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis.

Medicare Part D Notice of Creditable Coverage Important Notice from San Dieguito Union High School District About Your Prescription Drug Coverage and Medicare

Please read this Notice carefully and keep it where you can find it. This Notice has information about your current prescription drug coverage with San Dieguito Union High School District under the United Healthcare, Cigna and Kaiser plans and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this Notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. San Dieguito Union High School District has determined that the prescription drug coverage offered under the above plan option(s), on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage with San Dieguito Union High School District will not be affected. If you decide to join a Medicare drug plan and drop your current medical plan coverage, be aware that you and your dependents will be able to get this coverage back (for example, at the next annual open enrollment period or upon incurrence of a special enrollment event).

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with San Dieguito Union High School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
