ANNUAL REPORT 2017-2018

The Annual Report for the 2017-18 year has been prepared by Personnel Commission staff in compliance with Education Code Section 45266, and Personnel Commission Rule 2.17. The Annual Report describes Commission activities for the preceding fiscal year.

The District has operated under the Merit System since its adoption in 1972. The San Dieguito Union High School District is comprised of five middle schools, four comprehensive high schools and one alternative high school and is located in coastal North San Diego County. The employees in the classified service proudly serve the students and the community in support of high education standards.

The Commission staff thanks each employee of the classified service for their dedication to the students of the San Dieguito Union High School District. Additional appreciation goes to the many individuals who have served as subject matter experts in the development and administration of examinations to ensure the employment of highly qualified individuals and to those employees who provided input for classification description updates.

The Merit System

The fundamental purpose of merit employment for classified employees under California Education Code is to ensure selection, promotion, and retention are without favoritism or prejudice and on the basis of merit and fairness. An independent Personnel Commission administers the Merit System. It is composed of three Commissioners, each appointed for a three-year term. The District appoints one Personnel Commissioner. The classified employees, through their bargaining unit, appoint the second Commissioner. Those two Commissioners then appoint the third member of the Commission.

The Commission has a threefold responsibility:

- To cooperate with the Board of Trustees and District administrators in the quest for high quality employees and sound human resources administration.
- To represent the interests of the general public by providing a personnel system dedicated to hiring and keeping competent employees to perform the classified work in the service of the jurisdiction.
- To ensure that classified employees receive fair and equitable treatment.

The three-way division of responsibilities sometimes places Commissioners in the position of being mediators between conflicting interests of employees, management and the general public. Commissioners must make decisions that are fair and contribute to the overall goal of a personnel program based on merit.

Goals of the Commission

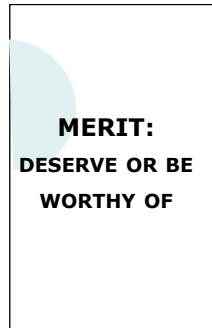

Commissioners have the responsibility to oversee that classified employment is built on, and remains consistent with, core merit principles. The most important of these merit employment principles are best summarized as follows:

- Hiring and promoting employees on the basis of ability, with open competition for initial employment.
- Retaining employees on the basis of performance and separating from the service those whose

inadequate performance cannot be corrected.

- Ensuring that employees doing like work are classified the same.
- Providing for fair and impartial rules and consistency of administration of the rules.
- Assuring fair treatment of applicants and employees in all aspects of personnel administration without regard to race, color, religion, sex or sexual preference/orientation, age, political affiliation, national origin, or a disability which may be reasonably accom-

modated, and with proper regard for their privacy and constitutional rights.

Personnel Commission Meetings

RULE 2.6 REGULAR MEETINGS
