

**SCHOOL BASED PROGRAM COORDINATION**

In order to best serve students with special needs, as well as students participating in designated educational programs, the Governing Board encourages school-based program coordination as a means for achieving flexibility in the use of the categorical funds received by each school. The Board believes that resources acquired to assist students in one program often can benefit other students without in any way depriving the originally targeted group. The school-site council at each school shall consider whether or not it wishes the school to participate in school-based program coordination.
