## **Visitors/Outsiders**

AR 1250

### **Community Relations**

The Superintendent or designee shall post at every entrance to each school and school grounds a notice describing registration requirements, school hours or hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements.

Unless otherwise directed by the principal or designee, a staff member shall accompany visitors/outsiders while they are on school grounds.

### **Outsider Registration**

Outsiders shall register upon entering school premises during school hours. Any person other than the following is considered an outsider:

1. A student of the school, unless currently under suspension
2. A parent/guardian of a student of the school
3. A Governing Board member or district employee
4. A public employee whose employment requires being on school grounds, or any person who is on school grounds at the school's request

### **Registration Procedure**

In order to register, an outsider shall, upon request, furnish the principal or designee with the following information:

1. His/her name, address, and occupation
2. His/her age, if less than 21
3. His/her purpose for entering school grounds
4. Proof of identity
5. Other information consistent with the provisions of law

### **Principal's Registration Authority**

The principal or designee may refuse to register any outsider if he/she reasonably concludes that

the individual's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. The principal or designee or school security officer may revoke any outsider's registration if he/she has a reasonable basis for concluding that the individual's presence on school grounds would interfere or is interfering with the peaceful conduct of school activities or would disrupt or is disrupting the school, students, or staff.

When an outsider fails to register, or when the principal or designee denies or revokes an outsider's registration privileges, the principal or designee may request that the individual promptly leave school grounds. When an outsider is directed to leave, the principal or designee shall inform him/her that if he/she reenters the school within seven days he/she may be guilty of a misdemeanor subject to a fine and/or imprisonment.

#### Appeal Procedure

Any person who is denied registration or whose registration is revoked may appeal to the Superintendent or principal by submitting, within five days after the person's departure from school, a written request for a hearing. This request must state why he/she believes the denial or revocation was improper and must provide an address to which the hearing notice may be sent. Upon receipt of the request for a hearing, the Superintendent or principal shall promptly mail a notice of the hearing to the person requesting it. A hearing before the Superintendent or principal shall be held within seven days after receipt of the request.
