

TRANSPORTATION SERVICE FEES

When not in use by the District, and subject to other Board Policies and Administrative Regulations, the Transportation Department may make buses and vans available to school districts, and other government entities, non-profit organizations, and for-profit organizations for the purposes of promoting community recreation. Provision of transportation-related services to non-district organizations shall be by written agreement authorized by the Superintendent or designee.

Use of buses and vans or other transportation-related services is subject to the Transportation Service Agreement Fee Schedule below:

Staffing Conditions/Charges:

- Mileage rates will be calculated annually. In some instances, a fuel surcharge may be added to the published rate when fuel costs exceed the fees published herein.
- Staffing rates will be calculated and published annually to adjust for COLA.
- Weekend and holiday staffing rates will be charged at the prevailing overtime rate.
- SDUHSD is a collective bargaining unit member. Activity trips which include drivers will comply with work rules.
