

STUDENT PARKING

Since the community and the Board of Trustees desire to maintain a reasonable level of order and safety, all students on high school sites shall arrange to have a parking permit with the high school of attendance. Beginning with the 2011-12 school year, every S.D.U.H.S.D. student who applies for an On Campus Parking Permit must have completed the "California Highway Patrol Start Smart" (CHP) program with a parent or legal guardian. The CP Start Smart program is a free driver safety education class which targets new and future licensed teenage drivers between the age of 15-20 and a parent or guardian for each student driver. Additionally, testimonies will be provided by officers who have investigated fatal collisions involving teens. Each student must have a parent or guardian present for the entire two hour course. Students and a parent or guardian may attend any Start Smart course, including those offered at other S.D.U.H.S.D. high schools. Students and a parent or guardian may also attend a San Dieguito Alliance For Drug Free Youth Start Smart course.

Courses will be offered at all S.D.U.H.S.D. high schools and at other locations in the community. Students and their parent / guardian will only be required to complete the course one time in their high school career. This policy takes place on the first day of the 2011-12 school year.

Parking permits shall be issued at no charge beginning the 2014-15 school year.
