

SCHOOL BUS CONDUCT / STUDENT SAFETY

When District transportation is provided to attend any of its schools, facilities, or activities, the foremost concern of the Board is for the safety of all students and personnel.

The driver is held responsible for the orderly conduct of the pupils and others when they are on District owned vehicles. The Superintendent shall be responsible for developing written administrative regulations outlining appropriate conduct to insure the safety of all students, and shall include, but not be limited to, denial of riding privileges.

Written rules and regulations regarding conduct on District owned vehicles shall be made available to all students, parents of students, and others who use the District's transportation facilities. Students and parents/guardians of students being transported by District owned vehicles will be required to read and sign the bus transportation rules of conduct form. Students will be required to adhere to the rules of conduct.
