In any middle or high school, a student organization may be approved to sell food items during or after the school day if all of the following conditions are met:

1. Only one student organization conducts a food sale on a given school day and the organization sells no more than three types of food or beverage items, except that up to four days during the school year may be designated on which any number of organizations may conduct the sale of any food items.
2. The specific nutritious food items are approved by the Superintendent or designee in accordance with San Dieguito Union High School District.
3. Food items sold during the regular school day are not prepared on the premises.

4. The food items sold are not those sold in the district's food service program at that school during that school day.

The Superintendent or designee shall maintain records, and shall require organizations selling foods and beverages to maintain records, to document compliance with federal nutrition standards for all competitive foods and beverages sold through and outside the district's food services program. At a minimum, these records shall include receipts, nutrition labels, and/or product specifications.
