

**PROFESSIONAL STANDARDS**

The Governing Board expects district employees to maintain the highest ethical standards, exhibit professional behavior, follow district policies and regulations, abide by state and federal laws, and exercise good judgment when interacting with students and other members of the school community. Employee conduct should enhance the integrity of the district, advance the goals of the district's educational programs, and contribute to a positive school climate.

The Board encourages district employees to accept as guiding principles the professional standards and codes of ethics adopted by educational or professional associations to which they may belong.

Each employee should make a commitment to acquire the knowledge and skills necessary to fulfill his/her responsibilities and should focus on his/her contribution to the learning and achievement of district students.

Any reports of employee misconduct shall be promptly investigated. Any employee who is found to have engaged in inappropriate conduct in violation of law or Board policy shall be subject to disciplinary action and, in the case of a certificated employee, may be subject to a report to the Commission on Teacher Credentialing. The Superintendent or designee shall notify local law enforcement as appropriate.
