

EMPLOYEE SAFETY

The Governing Board is committed to maximizing employee safety and believes that workplace safety is every employee's responsibility. Working conditions and equipment shall comply with standards prescribed by federal, state, and local laws and regulations.

No employee shall be required or permitted to be in any place of employment which is unsafe or unhealthful.

The Board expects all employees to use safe work practices and, to the extent possible, correct any unsafe conditions which may occur. If an employee is unable to correct an unsafe condition, he/she shall immediately report the problem to the Superintendent or designee.

The Superintendent or designee shall promote safety and correct any unsafe work practices through education and enforcement.

The Superintendent or designee shall ensure the ready availability of first aid materials at district workplaces and shall make effective provisions, in advance, for prompt medical treatment in the event of an employee's serious injury or illness.

No employee shall be discharged or discriminated against for making complaints, instituting proceedings, or testifying with regard to employee safety or health or for participating in any occupational health and safety committee established pursuant to Labor Code 6401.7.
