
DESIGNATION OF CONFIDENTIAL EMPLOYEES

The Board has investigated the duties and responsibilities of all its employees to determine whether, in the course of their regular duties, they have access to or possess information relating to the Board's employer-employee relations. Since in the Board's judgement persons filling the following positions meet this criteria, the Board designates the following positions as confidential:

Executive Assistant to the Superintendent
Executive Assistant

No person serving in a position designated as confidential shall be represented by any bargaining unit established by the Government Code. In employment relations with the Board, any person serving in a confidential employee position shall have the right to represent himself individually or by any other group whose membership is composed entirely of employees serving in a position designated as confidential.
