

San Dieguito Union High School District

Search and Seizure

AR 5145.12

Students

Notifications

At the beginning of each school year and upon enrollment, the Superintendent or designee shall inform students and parents/guardians about the district's policies and procedures for searches, including notice regarding:

The possibility of random searches of students, their belongings, their vehicles parked on district property, and district properties under a student's control, including lockers or desks
