

STUDENT ORGANIZATIONS AND EQUAL ACCESS

Student organizations have an important place in the educational program. When properly organized and operated, they:

1. Extend and reinforce the instructional program.
2. Give students practice in democratic self-government.
3. Build student morale and positive support for the school.
4. Honor outstanding student achievement.
5. Provide wholesome social and recreational activities.

School-sponsored organizations must be organized at the school, sponsored by school personnel, composed completely of current student body members, hold the majority of their meetings at school and have a democratic plan for the selection of members. Organizational activities shall not conflict with the authority and responsibilities of school officials.

LIMITED OPEN FORUM

District high schools shall maintain a limited open forum during which students may hold meetings or activities not directly related to the school curriculum. The principal shall schedule this forum on non-instructional time so that it in no way interferes with regular school activities.

The Board shall not deny access to any student-initiated group on the basis of religious, political, philosophical or any other content to be addressed at such meetings.

The Superintendent or designee shall insure that meetings held within the limited open forum are voluntary and student-initiated, with no direction, control, or regular attendance by non-school persons.

School staff shall not promote or participate in these meetings, but may be assigned to simply observe them, provided that the meeting does not conflict with the staff member's beliefs.

Meetings held within the limited open forum shall entail no expenditure of public funds beyond the incidental cost of providing the meeting space. Any announcement of meetings shall clearly state that the group is not sponsored by the school or school staff.

Authorization of use under the federal Equal Access Act does not indicate that the Board approves or advocates matters which are discussed at open forum meetings. Furthermore, religious groups granted access pursuant to the Equal Access Act are granted access only pursuant to that Act. Such access does not constitute district sanction of any particular religious belief.

STUDENT ORGANIZATIONS

The superintendent shall prepare administrative regulations to implement a limited open forum at the district's high schools.

HAZING

No student shall conspire to engage in hazing, participate in hazing, or commit any act that causes or is likely to cause bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental

harm to any fellow student or other person. Persons violating this policy shall be subject to district discipline, misdemeanor penalties, and forfeiture of entitlements.

Membership in secret fraternities, sororities, and clubs is prohibited.
