

SPEECH/HEARING

Speech and hearing therapy shall be available for all students from grades seven through twelve. There is no charge for the service.

Six kinds of speech defects are to be dealt with:

1. Defects of articulation
2. Defects of voice
3. Stuttering
4. Retarded speech development
5. Speech defects associated with cleft palate and cerebral palsy
6. Speech defects associated with impaired hearing

The administration is authorized to institute such means as are needed to put this policy into effect.
