Office of the Superintendent

August 11, 2017

Dear Families:

Welcome to the 2017-18 school year!

San Dieguito Union High School District has the most prestigious public schools in San Diego County. While our outstanding students deserve the credit for our success through their hard work and dedication, their accomplishments would not be possible without the strong and enthusiastic support of our parents.

No matter which of our ten schools you are enrolled in, our dynamic team of teachers, administrators and staff is committed to providing equal opportunities for all students to excel in academics and to pursue their many interests.

The collaboration between our students, our teachers, and our parents has led to the exceptional achievements in curricular and extracurricular activities for which our schools are known. We are proud of our standing in the community and are constantly aiming to improve upon the performance of each and every student.

We invite parent involvement and provide many opportunities to support the interests and activities of students. Each of our schools has a foundation or parent organization composed of passionate volunteers who help enhance the experiences of all students at our schools. We are grateful for their devotion and generosity. I encourage you to volunteer for a committee or leadership role in a parent organization. It's a rewarding way to connect with teachers, administrators and other parents and share in our students' success.

Thank you for contributing to the tradition of excellence that has made this community a great place for teaching, learning, and raising a family for over 80 years.

Sincerely,

Eric R. Dill
Superintendent
