The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit http://whyuhc.com/csveba or by calling 1-888-586-6365. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-888-586-6365 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Preventive care and primary care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For participating providers $3,000 individual / $6,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Copayments for certain services, premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See http://whyuhc.com/csveba or call 1-888-586-6365 for a list of participating providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use a non-participating provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your participating provider might use a non-participating provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes, written or oral approval is required, based upon medical policies.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

This is only a summary of the prescription drug benefits you will receive if you enroll in medical benefits offered by California Schools VEBA. This must be read in conjunction with the applicable medical summary of benefits and coverage document. If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at express-scripts.com or by calling 1-800-918-8011.

Important Questions	Answers	Why This Matters
What is the overall deductible?	$0	See the chart starting on page 2 for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Preventive care (if applicable) and prescription drug benefits are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the out-of-pocket limit for this plan?	For the RX portion of your plan: $1,600 individual / $3,200 family. See your medical SBC for other out-of-pocket limits.	The out-of-pocket limit is the most you could pay in a plan year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges and prescription drug costs this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See express-scripts.com/ or call 1-800-918-8011 for a list of participating pharmacies.	If you use an in-network pharmacy, this plan will pay some or all of the cost of covered services. Plans use the terms in-network, preferred or participating for providers in their network. This plan uses Express Scripts Advantage Network (EAN) for short-term drugs (up to 30 day supply), Express Scripts Smart90 pharmacy or Express Scripts Home Delivery for maintenance drugs, and Express Scripts Accredo for specialty drugs. See the chart starting on page 2 for how this plan pays by different providers.
