Naming a Beneficiary:

Naming a beneficiary is an important right of Life Insurance ownership; this determines who receives the death benefit. It is recommended that you review and update your beneficiaries periodically. Events such as marriage, birth/adoption of children, divorce or death may change how you want your Life Insurance benefit paid.

Continuation:

If you are no longer eligible for coverage as an active employee, you may be eligible to continue your coverage after employment. No health questions are needed and rates are generally higher than active rates. If you would like to continue your coverage, be sure to enroll within 31 days of your current coverage ending.
